

# Lucky Leaf 4H Information!

This will be our 8th year as a club. The 4H year runs September 1-August 31 so we are currently looking for anyone interested in joining!! 4-H is open to all youth ages 5-18 (4H requires age as of Sept. 1).

Our first meeting will be **Saturday, September 8th at 9:30am at the High School in Colfax.**

On the back of this sheet you will find a sign up sheet. Please return to the school office or simply email one of the leaders (contact info listed below) and join us at our meeting on September 8th. With everyone's schedules so busy these days, we understand if you cannot make it on Saturday. If this is the case, we will be sure to send home information with the kids if you are still interested!!

You can find additional information on our website at [www.luckyleaf4h.weebly.com](http://www.luckyleaf4h.weebly.com).

A few facts on 4-H:

- 4-H is the only youth group that uses research-based curriculum
- 4-H has something to offer to everyone. It is not just baking and livestock anymore:))!
- 4-H teaches skills for individuals to use throughout their lives. These skills are taught and practiced through hands-on projects, community service, educational events and activities
- For more information you can log onto [http://www.ndsu.edu/4h/member\\_information/](http://www.ndsu.edu/4h/member_information/)

Meetings are normally held on the 2nd Saturday of each month. Each meeting usually consists of a business meeting and project time—members are divided by age: Cloverbuds (age 5-7) and 4Hers (ages 8+). We would encourage parents to attend meetings as well:) We are very excited to start our 8th year as the Lucky Leaf 4-H club and look forward to a fun and eventful year!!! If you have any questions at all, please don't hesitate to contact us:
